Everything you need in one set

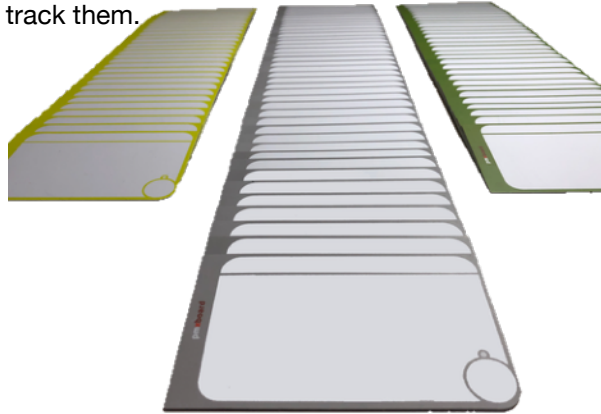

All details have been thought about!

Agile Management Board consists below four types of full magnetic cards to meet your Agile Management Board needs;

1 Task Cards

Task Cards come in three colors

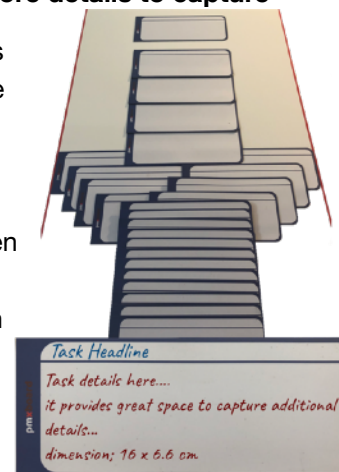

Task Cards are key players in the set, they are to capture project tasks, assign to individuals and track them.

2 Detail Cards

Some Tasks require more details to capture

Whenever more detail is needed, detail cards are there to help you! Detail cards provide greater space to help you capturing more, and then you just need to mate them with task cards on your board!

3 Headline Cards

Headline Cards with pre design cards as well as empty headline cards for you to customize your board

Most commonly used Agile Board Headlines comes with your set. Moreover, you will receive empty headline cards so you can customize your board to your unique needs.

4 Blocker Cards

No Agile Board is whole without making your blockers visible!

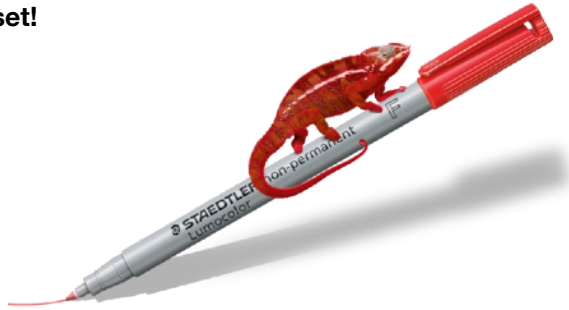

Using Blocker Cards is one easy way to identify the blockers in your project visually. You can locate blocker cards anywhere on the magnetic board, either directly on the task cards, on any other cards, or locate next to them

*The most comprehensive Agile
Set in the world with
pmxboard quality!*

Magnetic Card Markers

The best markers in the world are part of your set!

We chose the best marker in the world to make your experience unique. The set comes with 0.6 mm ultra thin tip of Steadtler non-permanent markers. You will feel the difference when you use these markers on our high quality magnetic cards. These markers come in two colors, blue and black.

Board Markers

No details have been forgotten, we included board markers in your set

We know that not only the magnetic cards, sometimes you need an additional tool to draw on your Agile Board. We included 2mm fine tips of board markers, which come in four colors; black, blue, red and green.

Cleaners

Your set also comes with a cleaning cloth and a board eraser

Card Cleaner

The set includes a cleaning cloth for the magnetic cards. The cards require a wet cloth for a better cleaning performance

Board Eraser

A magnetic board eraser comes with your set. You can directly locate this eraser on magnetic boards

Board line tapes

These special board tapes help you to build your Agile Board

These special board tapes will help you to structure your Agile board. You can create your columns and sections easily on your board. These tapes are specifically designed for white magnetic boards and come in 3 mm thin thickness. Your set includes three roll of tapes in different colors.
