It is a unuqie design, it comes with powerful predesigned messaging on it, and a complete magnetic cards set that comes with the set to design your vision board as you dream!

## Double Sided Magnetic Board

#### It is a complete magnetic set

The powerful magnetic board comes with various magnetic parts in it either to help you put your own pictures on the board directly without needing any adhesive, or pick the quotes that resonates with you and directly locate on any part of the board. This is a double sided powerful magnetic board with its unique frameless design!

### How to build your board? Step 1

Write your name on the left top corner of your board.This is the first step to personalize your board and make sure that your subcoinciousness ackowledges the ownership of your board!

# Step 2

Decide what photos would like to locate on the board. Remember to put pictures represent your true dreams, what you see what you will get! Make sure that you print your pictures in the size of your magnetic frames. You will have three different magnetic picture frame in your set to help you locate your pictures (please see the next page for the dimensions). Alternatively, you can use magnetic straps to attach your pictures on the board. You have plenty of options! Your board is designed to provide all the tools you may need without needing to use external adhesives. It is highly recommended to not to use adhesives on this board set to not to downgrade the look of it. Remember to arrange your pictures nicely on your board. Your board will allow a smooth transition to any location you want your pictures to be.

## Step 3

Pick the quotes that come with your set, and locate them on your board too! Make sure to pick the ones that resonates with your thoughts and desires!

### Step 4

Do you have personal messages you want to put on your board? Well, you are covered! Your set comes with two different blank magnetic cards to capture your personalized messages as well as markers to write on them! Just make it personal! You can also use the bank account magnetic card that comes with your set. Remember to put the amount of money you want to have it in your bank account!

#### Step 5

This step is important! Locate your board somewhere you can see most of time! This can be just next to your working desk at home, or next to your bed , anywhere that you think you will see it unconsciously without putting extra effort to see it!

#### Step 6

Let your dreams come true! Just believe it, it will!
